If you are unable to come into the shop, we recommend that you get measured by an experienced tailor or seamstress to ensure accurate results. Please note that the above measurements will be used to determine the appropriate dress size to be ordered. Per Lavender Bridal Salon standard policy, we recommend that you order the size of dress that corresponds to your largest measurement based on the designer's size chart. We will go over this with you via email or telephone after we receive the measurements.

Lavender Bridal Salon is not responsible – by refund, discount, or exchange – if a customer loses or gains weight causing the ordered dress to not fit according to the measurements above.

Please note that most formal wear dresses require some alteration in order to fit perfectly. This is an additional cost that is not included in the cost of the dress itself and determined by your seamstress.
